**1-800-510-2437**

**United Way 211**  
The 2-1-1 System connects people with needed human services through an easy to remember three-digit phone number, the web and a variety of community interactions. When someone connects with 2-1-1, specially trained information and referral specialists analyze what services are needed and provide the appropriate resource and related information. Currently more than 65% of the U.S. population has access to 2-1-1, with more systems going live each month.
